SULPHUR BULLDOG

DEDICATION

We, the annual staff and students of Sulphur High School, wish to dedicate our 1960 Bulldog to Mr. John Townsley for all that he has done for us above the call of duty.

Besides serving good lunches every school day, Mr. Townsley has served for school organization activities such as the FFA Banquet, FHA Banquet, Football Banquet and the Jr. -Sr. Banquet.

This is only a small part of our appreciation for you, Mr. Townsley. We hope you continue here for a long time to come.

ANNUAL QUEEN

JUDI MORTON
Senior

EDITOR'S FOREWORD

We, the Bulldog staff of Sulphur High School, proudly present the 1960 Bulldog. We hope that this annual will remind you of the many happenings of the 1959-60 school year--the excitement of football games, the relief you felt following six-weeks tests, the sadness of graduation night.

The annual staff would like to express its gratitude to all those who have helped make it possible for us to have this annual. I would also like to express my appreciation for the assistance that the members of the staff have given me.

Shirley Keeler

Editor

Sulphur City Schools

Sulphur, Oklahoma

It is with pleasure that I greet the students of Sulphur Schools:

I would like to encourage each of you to try to develop to your fullest ability the qualities of leadership listed here:

INTEGRITY - That quality which attracts confidence of others.

FAITH - an unfaltering belief that something better lies ahead.

INITIATIVE - ability to move ahead without waiting to be shoved.

COURAGE - inner strength to face the problems you will encounter.

Many of you will accept such responsibilities and discharge them conscientiously. This seems to be a decade when the world does recognize the need for greatness.

The members of our Faculty and Board of Education join me in hoping that your later years will reflect the pleasant associations and helpful training you received while you were a student in the Sulphur Schools.

Sincerely yours,

A handwritten signature in dark ink, reading "J. R. Gililand". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

CLASS PROPHECY

The year is 1970, an old used up year but since it is really ours, we decided to use it. The Senior Class of 1960 wanting to do something really different has just blasted off for Venus.

Donald Gene Kirby was unregretfully left behind. It seems after he finished welding the ship together, according to Thomas Vickery's plans, there was no door.

Melvin "Tuffy" Mitchell, famous earth crooner, is our pilot. He guides our rocket ship "Togetherness" while co-pilot and famous mathlete, George Jennings, charts our course. Captain of the ship is that well-known Steve Ward.

Our rocket ship is guided by a completely new fuel, the beams off Roger Gililand's outstanding personality.

Our radio operator, Dick Gallemore, provides entertainment by tuning in to earth stations, WKY and KNOE. Of course we don't know who listens to either station for K. Faqih has his forty wives to perform hourly.

We had to have food so we put Angela Antuna in charge of the mess hall. Elva Brown is our chief dishwasher. That is she tells Mr. Brown how to do the dishes.

Seems we lost Judi Morton, Kathy Thomas, and Kay Lack on the way up. They couldn't stand the thought of life without their Davis Wolves.

Due to our amazing fuel, we soon arrived on Venus. Don Stevens, Gerald Watson, and David Moore were elected to find a way out of our rocket ship. But after all their efforts failed, Dewayne Scaff saved the day with his handy-dandy church key.

Seems Lou Ellen Runyan knew what the boys liked and built a drag strip. Butch Howe, Edgar Winn, Jerry Edwards, and Bill Jack are there now. Butch's car, "My Blue Heaven," is driven by a mysterious red-head. Eddie's car is driven by somebody named Charlotte. There is no mystery as to who is driving Jerry's car, it's his wife, Sue (Splawn) Edwards. Bill Jack's car, "Carro Mio" is driven by his wife, Helen.

Then Mary Reagan caught the building bug and built, "Little Mary's," famous for its burlesque stars. The bill now features Kathy Key, Ruth E. Reeves, and Betty Freeman. They are also the authors of the latest best seller, "How To Marry A Millionaire." Jack Bearden is Mary's bandleader. Crooning Johnny Cagle sings "Wish You Were Here, Keatha," every night.

David Wylie, not to be outdone, has built "Frenchy's" across the street. His burlesque show includes such names as Mary Fran (Co-Co) White and that very French lovely, Marilyn Latimer. Marilyn has just written another best seller "How to be Jealous."

Everybody has to have food so Don Hilliard got busy and built a line of grocery stores.

Judith Trammell decided she would make some money stocking the stores and built a five million dollar ranch. Judith, Alvin, and their three sons run it.

Charles Baker decided to carry on his family tradition and built the "Dippy Dog." His rocket hops are Carolyn Hunt and Sandra Kitt. It seems Carolyn and Sandra have found their husbands are too young to work legally and support them.

Hershel Higgin's addition we could have done without, for it is an escape-jail. His first customers are Shirley Kesler and Bryan Kinney. Bryan wouldn't pay his bills and Shirley murdered her husband. But Shirley won't stay in long for here comes her attorney, Deanna "the legal eagle," Cheshewalla.

Pat Tignor, famous columnist, has it rumored in her column that Deanna's plea for Shirley will be that her husband tried to out-talk her. Robert Wilson, editor of "What's New on Venus," has just added another column, "Ann Told You So." It is a lovelorn column run by Ann Buchanan. Her main readers are Shirley Parks and Alice Shepard. Shirley and Alice want to know how to lose their men now that they've got them.

If we can stand a jail, we might as well have a school, so Jackie Childs built one. Richard Billing's is the superintendent of the school and Jerry Brown is our principal. Jerry hasn't changed much and can still be found asleep in his office when needed. Peggy Jo Griffin is our truant officer. She knows all the ropes of the game. James Cottle is the girls' P. E. teacher. He always was the athletic type with girls. Suzanne Walker is head of the history department. That was always her favorite subject in school.

Lectures on "How To Hold Your Man," are given by Barbara Payne, Mary Jane Hilliard, and Jerrie Shaffer every Friday.

Ruth E. Cooper owns the only dress shop on the planet, it is called "Simply Ruth's." Her models are Janet Holmes, and Betty Lee. Betty models all petite styles from France while Janet models only bathing suits.

Billy Woodell and Jimmie Beaver have a little casino named "Beaver Woods." Danny Nichols is the bartender while Dennis Latimer directs the chorus girls. He also designs clothes for "Scanty--Wear." "Scanty-Wear" is owned by famous florist, Kenny Heath.

Larry Watson, seeing something was missing, started a Beatnik Colony.

Milton Brown thought we needed a bank so he built one. He uses wampum as the money.

CLASS HISTORY

1947. Yes, that was the big year, the year it all began. And how it began! Cameron was literally invaded by Jerry Brown, Johnny Cagle, Ruth Cooper, James Cottle, Butch Howe, Peggy Griffin, Bryan Kinney, Don Kirby, Sue Splawn, Kathy Thomas, Judith Green Trammell, Thomas Vickerty, Steve Ward, and Gerald Watson. But Washington wasn't to be outdone for beginning there were Jack Bearden, Richard Billings, Milton Brown, Deanna Cheshewalla, Jack Childs, Jerry Edwards, Carolyn Hunt, Shirley Kesler, Judi Morton, Shirley Parks, Suzanne Walker, Danny Nichols, and David Wylie. But after two weeks Richard decided to switch to Cameron and second semester, Don Stevens came from Davis to take Richard's place at Washington.

By the second grade we were pretty well settled except for a few who couldn't decide which school offered the best courses. Judi Morton went to Cameron, Don Kirby went to Washington and Richard Billings found that Washington suited him best.

In the third grade, Washington really grew. Alice Shepard came from Louisiana, Charles Baker from Granite, Larry Watson from Cal., Billy Woodell from Clarita, Hershel Higgins from Duncan, and Jack Greenwood from Cal. Poor Cameron not only didn't gain any new students but they lost James Cottle!

Ann Buchanan came to Cameron from Pauls Valley and Barbara Payne from Mill Creek in the fourth grade. These additions evidently were too much for the teachers because Cameron's fourth grade saw three teachers come and go that year. Washington took it a little more calmly. Their additions were Jimmy Beaver from Ada and Dick Gallemore from Muskogee. Larry Watson went back to California.

In the fifth grade, Cameron lost Ann Buchanan to Hickory and Deanna left Washington to go to Kansas. After a short time she was back with us though.

The sixth grade was really a good year. Why, James Cottle was back at Cameron from New Mexico. Kenny Heath joined forces at Cameron, coming from Illinois. Judith Green left for a semester in Tulsa, but just couldn't stay away and came back to finish the year. At Washington, there were several additions. Don Hilliard came from Denton, Texas, Bill Bose Jack from Arizona, and Mary Fran White from Big Canyon. Deanna got a wild urge to go to Kansas again and left. Jack Greenwood and Barbara Payne moved to Texas. Barbara was back after two weeks though.

Our seventh grade class proudly met and combined forces to become the first class in the new Junior High School. We were really proud to be here! Janet Holmes came to us from Summer's Chapel, Angela Antuna from Lawton, and Jack Greenwood from Texas. Deanna came back from Kansas, but was soon off again, this time to Texas. Bill Jack also went to Arizona and James Cottle to Ft. Worth. James came back for the second semester and Elva Alexander Brown came to us from Walters.

In the eighth grade we were really fired up. We won Football Queen this year because we raised more money on ticket sales than either the seventh or ninth grades. Joining us this year was Ruth Reeves from Wapanucka.

Our freshman year found us in the High School building. Things got off to a good start when Peggy Griffin was chosen as FFA Sweetheart. Joining our class this year were Betty Lee from Chigley and Roger Gililand from Merritt. Don Kirby rejoined us from Muskogee and Robert Wilson came from California but left us again the second semester. Deanna was off again second semester.

We realized sometime during our sophomore year that it was more fun to act our age than to try to grow up too fast. The FFA picked Judi Morton as their Sweetheart and Sue Splawn was chosen Band Queen. This year also two of our class members won trips to the UN in New York. We gained a number of students and lost one the entire year. Judith Green Trammell moved to Stillwater. George Jennings, Ann Buchanan, and Sandra Kitt came here from Hickory, Jerrie Shaffer joined us from Hot Springs, Arkansas, Pat Tignor from Atoka, Eddie Winn from Aztec, New Mexico, and Bill Jack from Arizona. Robert Wilson was here for awhile but then left again.

Our Junior year has a good beginning when we won two Student Council offices-Secretary and Editor. Following that, Bill Jack was chosen as FHA Beau and Kay Lack, Spanish Club Queen. We had five officers in FHA including President and Vice-President, three FFA officers, two 4-H officers including President, two officers in Foto-Klicks, and four members on the Bulldog Staff including Asst. Editor. Second semester we didn't do so badly either. Steve Ward was elected President of the Student Council, Eddie Winn was the State Champion running the 880 and the mile, Carolyn Hunt and Judi Morton were selected to attend the FHA Nat'l Convention, and Carolyn also won the UN Contest. New members gained this year were K. Faqih from Lebanon, Marilyn and Dennis Latimer from Wynnewood, David Moore from Stratford, Larry Watson from Wynnewood, and Judith Green Trammell from Stillwater.

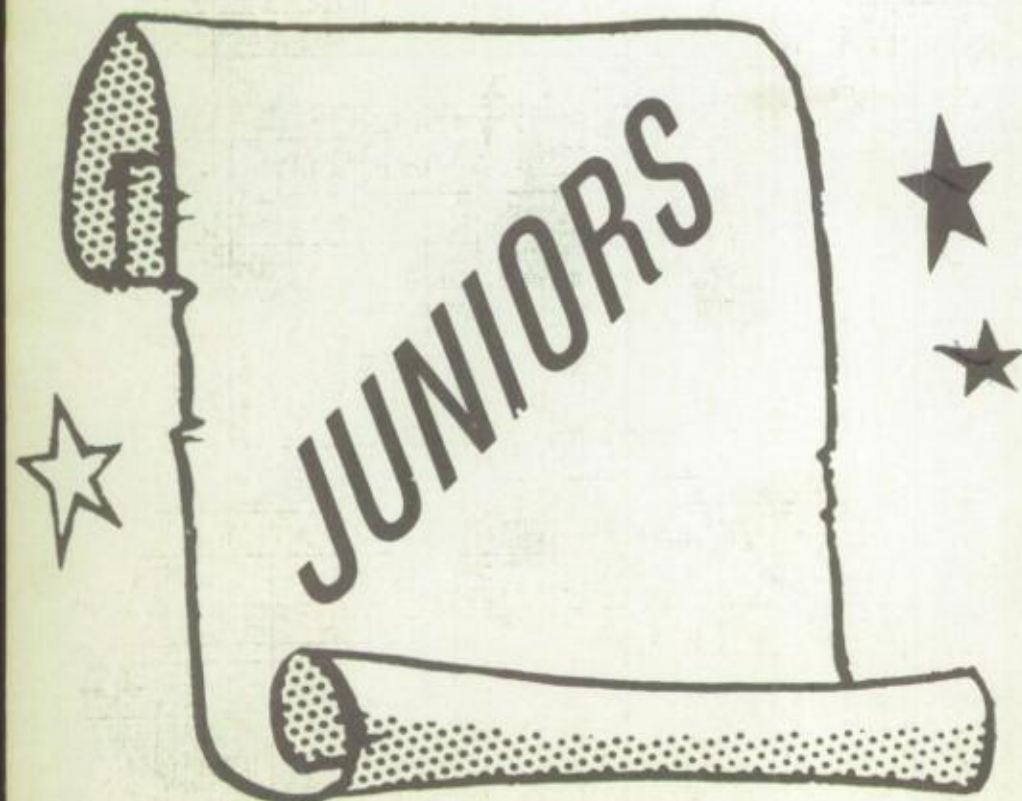

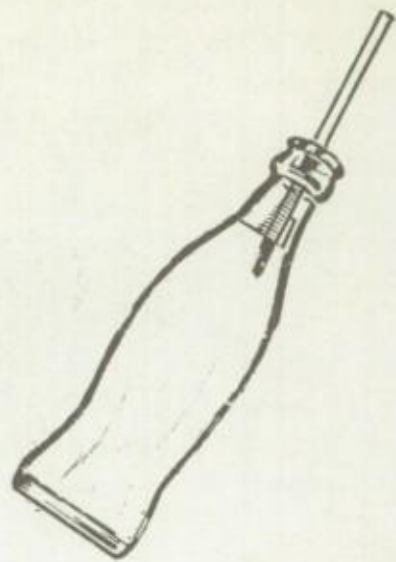

Well, we've made it! This is our SENIOR year. Without a doubt it's been the best year in our school career. We decided last year to try to be the best class we knew how to be. We wanted to make such a dent, not as the biggest or best, but that someone might think of us as the friendliest and most co-operative Senior Class in a long time. We really tried to be that. Several outstanding additions to our class this year were Betty Freeman from Asher, Mary Jane Hilliard from Stratford, Kathy Key from Chandler, Robert Wilson from California, and Tuffy Mitchell from Mill Creek. Bill Warren, Dewayne Scaff, and Kenneth Low also joined us this year.

Our Seniors were very active this year. In FHA there were 18 Senior girls. We held 6 of the offices, including President and Vice-President. There were 15 in FFA, 5 officers including President, 14 in 4-H, 5 in Foto-Klicks who were all officers. Shirley Kesler was Editor of the '60 Bulldog and had 6 Seniors on her staff. There were 8 in Band, 2 officers, 3 twirlers, and the majorette; 17 Seniors in Pep Club, 3 officers, and 5 of the cheerleaders; 15 in Spanish Club, 12 in the Girls' Glee Club, 8 in Boys' Glee Club, 13 in Mixed Chorus. There were 3 librarians, 2 projectionist, and 1 on the office staff. We had 6 boys in weight lifting, and three wrestlers. There were 10 on the Football team. We're really proud of our 5 boys who made All-District. There are 13 in Letterman's Club. There are 3 Seniors in Girls' Quartet, 3 in the Mixed Quartet, 1 in Boys' Quartet, and 5 in FHA Sextet. 5 Seniors were chosen for All-State Chorus, 1 for All-State Band, and 2 All-District Band. There are 11 in NHS and 8 in OHS. This year, the first semester, we held the Vice-President and Secretary offices in Student Council; second semester, President, Vice-President, and Editor. Kathy Thomas was Band Queen and Judi Morton was FFA Sweetheart.

This class history is respectfully submitted as an accurate record of the members of the graduating class of 1960.
